122.01 HOUSE MOVER DEFINED. A “house mover” means any person who undertakes to move a building or similar structure upon, over or across public streets or property when the building or structure is of such size that it requires the use of skids, jacks, dollies or any other specialized moving equipment.

122.02 PERMIT REQUIRED. It is unlawful for any person to engage in the activity of house mover as herein defined without a valid permit from the City for each house, building or similar structure to be moved. Buildings of less than one hundred (100) square feet are exempt from the provisions of this chapter.

122.03 APPLICATION. Application for a moving permit shall be made in writing to the Code Enforcement Office. The application shall include:

1. Name and Address. The applicant’s full name and address and if a corporation the names and addresses of its principal officers.
2. Building Location. An accurate description of the present location and future site of the building or similar structure to be moved.
3. Routing Plan. A routing plan approved by the Police Chief, Public Works Superintendent, and public utilities officials. The route approved shall be the shortest route compatible with the greatest public convenience and safety. Sign removal and replacement shall be coordinated with the Public Works Department.

122.04 BOND REQUIRED. The applicant shall post with the Clerk a penal bond, in an amount as set by resolution of the Council, issued by a surety company authorized to issue such bonds in the State. The bond shall guarantee the permittee’s payment for any damage done to the City or to public property, and payment of all costs incurred by the City in the course of moving the building or structure.

122.05 INSURANCE REQUIRED. Each applicant shall also file a certificate of insurance indicating that the applicant is carrying public liability insurance in effect for the duration of the permit covering the applicant and all agents and employees in the amount as set by resolution of the Council.

122.06 PERMIT FEE. A permit fee in the amount set by resolution of the Council shall be payable at the time the permit is approved. A separate permit shall be required for each house, building or similar structure to be moved.

122.07 PERMIT ISSUED. Upon approval of the application, filing of bond and insurance certificate, and payment of the required fee, the Code Enforcement Officer shall issue a permit.

122.08 PUBLIC SAFETY. At all times when a building or similar structure is in motion upon any street, alley, sidewalk or public property, the permittee shall maintain flagmen at the closest intersections or other possible channels of traffic to the sides, behind and ahead of the building or structure. At all times when the building or structure is at rest upon any street, alley, sidewalk or public property the permittee shall maintain adequate warning signs or lights at the intersections or channels of traffic to the sides, behind and ahead of the building or structure.

122.09 TIME LIMIT. No house mover shall permit or allow a building or similar structure to remain upon any street or other public way for a period of more than twelve (12) hours without having first secured the written approval of the City.

122.10 REMOVAL BY CITY. In the event any building or similar structure is found to be in violation of Section 122.09 the City is authorized to remove such building or structure and assess the costs thereof against the permit holder and the surety on the permit holder's bond.

122.11 PROTECT PAVEMENT. It is unlawful to move any house or building of any kind over any pavement, unless the wheels or rollers upon which the house or building is moved are at least one (1) inch in width for each one thousand (1,000) pounds of weight of such building. If there is any question as to the weight of a house or building, the estimate of the City as to such weight shall be final.

122.12 OVERHEAD WIRES. The holder of any permit to move a building shall see that all telephone, cable television and electric wires and poles are removed when necessary and replaced in good order, and shall be liable for the costs of the same.

122.13 TREE TRIMMING. It is the responsibility of the permit holder for the trimming of any trees, whether on public or private property, along the entire route. Tree trimming should be kept to a minimum and should be done in such a manner as to ensure the least amount of damage to the tree. The permit holder is responsible for notifying all property owners along the route.
